

DEMOGRAPHICS

Founded by a steamboat captain in 1851, Winona's location on an island in the Mississippi River made it a transportation hub and one of the world's richest cities by 1900. This legacy remains in the form of historic buildings, an ongoing harmony with the river, and an economy that still thrives. Surrounded by bluffs and water, the beauty of Winona reflects the high quality of employment, education, and recreation its residents enjoy.
